8th Grade Course Descriptions | Lakeside Middle School

(grade 7/8) This class is designed to teach students the skills needed to produce and edit digital video projects. They will learn digital computer editing, sound mixing, lighting design and camera techniques. We will be applying a “hands-on” approach with the ultimate goal of producing our 7th and 8th grade slide show videos.

Grade 8 » Introduction | Common Core State Standards ...

Grade 8 » Introduction Print this page. In Grade 8, instructional time should focus on three critical areas: (1) formulating and reasoning about expressions and equations, including modeling an association in bivariate data with a linear equation, and solving linear equations and systems of linear equations; (2) grasping the concept of a function and using functions to describe quantitative ...
